Notes from: Periodic CSSG Leadership call with NCSP Manager

Participants: Jerry McKamy, Fitz Trumble, David Erickson

Updates on existing taskings:

2014-02 Validation: (FT) Comments received, being incorporated. Drafting example. Now just a matter of time. **Action FT: Revise tasking with new deliverable dates.**

2014-03 Pu Handbook: (DE) Tom has grabbed lead. Sections being drafted. Expect it to be much shorter than prior. **Action TM: provide draft to CSSG prior to LLNL meeting.**

Upcoming Taskings:

2015-01 UPF CAP: CSSG involvement still required. Awaiting UPF project team to request assistance. (CSSG team has not been identified yet)

2015-02 3007: The CSSG is in control of the timing. CSSG will be leading the writing effort with input of CSCT and in coordination with EFCOG SAWG. **Action DE: Request from Andy Prichard – List of 'SAWG revisions' by 03/10.** Tasking expected to be issued after the LLNL meeting.

2015-03 AA Handbook: **Action DE: Revise tasking to include development and delivery of a high level outline and support AA folks during rewrite process.** AA will retain lead writing responsibility for the Chapter.

2015-04 1020 Handbook: Discussed defining bounds of review/effort to be coordination of the draft section on 3.2.7 with the CTA guidance. Reference will be made in the tasking to also roll in tasking response 2014-xx on Role of Evacuation (add correct tasking title)
Action DE: Revise tasking to reference evacuation tasking and include CTA guidance.
