

Date: 06/30/16  
Notes from: Periodic CSSG Leadership call with NCSP Manager  
Participants: Jerry McKamy, David Erickson, David Hayes

Status of Taskings:

Tasking 2015-02 3007 Revision

Sections are being written.

Still awaiting updated schedule and revised tasking from Lead.

Tasking 2016-02 FY-17 Proposal Review

What do we need to do to 'close' the tasking?

Put the transmittal cover letter on website, questions on content need to talk w/ Jerry.

Tasking 2016-03 Review of CS at WTP

Team is on board – looking for a Trumble replacement – possibly Kevin

On-Site visit 07/25 – 07/28

Tasking 2016-04 Natural Phenomena and Other Extreme Events vis-a-vis ANSI/ANS-8

Morman, McLaughlin, Hicks (so far) – Erickson and/or McKamy may be willing to participate (at some level) if no one else.

2016 CSSG 2<sup>nd</sup> Face-to-Face

Where/when?

8/31-9/1 is likely date without further input.

Space is reserved in Oak Ridge (Y-12) and DC (GTN) for 8/31-9/1.

Will discuss/finalize during CSSG Telecon scheduled for 07/06

Contract vehicle for Fitz

SRNS not a very good option at this time.

Working with ORNL and AECOM - Identify path forward by BEM.

Annual NCS Brief to the DNFSB

Meeting scheduled for 08/30, consists of about a dozen questions to receive more information related to report provide earlier this year. McKamy and Wilson will be supporting.

Wrap-up on the Y-12 EA CAAS Discussion

EA appears to have misunderstood the full basis for the adequacy of the system. Aging system with known issues.

Update to Charter, Work Instructions

Few responses, no comments. Ready?

Action: DGE – Send to CSSG, along with Membership Policy for one last look.

Will discuss at F-t-F

Update to Membership Policy - Past Member?

Will get to CSSG for review

Action: DGE – Send to CSSG, along with Charter/Work Instructions for review.

Fire Suppression at NCERC

Converting from wet to dry system – some interface issues identified
