

CSSG TASKING 2013-03-01
Date Issued: February 6, 2013

Task Title: *CSSG SME Document Review of DOE-STD-3009a-YR*

Task Statement:

The CSSG is directed to perform SME document review of **DOE-STD-3009a-YR**.

The CSSG should provide specific recommendations, or improvements, for consideration, that the NCSP Manager can provide to the customer.

Resources:

All GSSG Members are requested to review and provide comments. Focus is to be on the Criticality Safety related sections (insert focus sections) but should not be limited if other issues are identified. The CSSG Deputy Chair is the task lead/coordinator.

Task Deliverables:

1. CSSG Members provide comments to Lead by February 21, 2013
2. Lead will consolidate/organize comments by February 28, 2013 and distribute back to CSSG.
3. CSSG provides concurrence by March 6, 2013.
4. CSSG Chair transmits the CSSG comments to NCSP Manager by March 7, 2013.

Task Due Date: March 7, 2013

Approved:

 2/6/2013

Dr. Jerry N. McKamy, Director, NA-00-10,
DOE NCSP Manager
