

Date: June 24, 2021
Subject: CSSG Telecon

Participants: Erickson, Hayes, Heinrichs, Kimball, Trumble, Brady-Raap, McKamy, Bowen, Zerkle

Agenda:

- Status of Tasking 2021-01
Completed and sent to Angela for final acceptance and posting
- Charter wrap up
No comments from the last few times we have discussed. D. Hayes will clean it up and forward it to Angela for final approval. Will also discuss future changes in conjunction with the next F-t-F
- Is it time for a self-assessment?
Last assessment performed in 2007. D. Hayes has sent it out to the CSSG. All should look at it and we will figure out how to proceed this time. Possible topic for discussion at next F-t-F.

- Calendar
Only 'near term'; items aware of are BEM in July and ANS Winter Meeting in DC.

BEM - CSSG members should consider participating to keep up to speed with what is happening re: the NCSP. BEM agenda forwarded to CSSG.

ANS Winter Meeting – Will likely have a CSSG F-t-F at that meeting. Will have new Chair/Deputy and new member joining.

- Round table

TSG (NDA) still has old charter (signed by Jerry). Should be reviewed and updated if appropriate. May also look at ongoing need for the TSG, as they may have become OBE.

Minor perturbations for FY22 NCSP Budget.

No feedback from SRPPF Review. Recommendations are being worked by the M&O.

Nothing else specific other than further discussion of above topics.
