ANS Panel Session

The panel session is scheduled for Wednesday, December 1 2:30 to 4:00pm EST at the ANS Winter Meeting in Washington, DC. David Hayes will serve as the session moderator. The panelists are Mikey Brady, David Erickson and Dave Heinrichs. Both Hayes and Heinrichs will attend in person. Brady and Erickson will be participating virtually.

Draft slides were distributed prior to the WebEx meeting. Feedback on the draft slides has been greatly appreciated. The slides were reviewed in sequence and have been updated in the attached revised presentation.

Next CSSG Meeting

Discussion included some positive feedback that restrictions on in person meetings seems to be loosening. Hopefully we’ll be able to get back to those after the first of the year.
