Notes:

Call to Order

Revcom for 420.1 – Discussion related to Kimball comments and comments submitted by others.

Review and rank proposals tasking – proposals due 2/2 and CSSG must turn around rankings by end of March.

Sum of Fractions – tasking is still draft – hope to have it out by TPR.

CSSG – competencies matrix. Trying to get it from Mikey, Dave asked folks to send him what they sent to Mikey.

Emeritus tasking final – meeting on the 18th to discuss and finalize with charter updates to follow.

Roundtable

Angela- budget, cr until 1/19; if there is a government shutdown federal travel will likely be curtailed.; reminder if you plan to attend NCS workshop please register; TPR registration is open so please register.

Heinrichs – latest SCALE error notice – be aware, Per Doug B. mostly people using white boundary conditions will see this error, no cross section processing error only in the transport calc itself. More info to come via SCALE help.
