<input type="checkbox"/>	McKamy, Jerry						

Guest

None

Notes:

- (1) Tasking 2024-02 is final. Angela took the action to inquire as to whether or not the Savannah River Field Office wants to pursue public release of the final report.
- (2) The next Face to Face meeting is set for Thursday after the ANS Meeting in Chicago. A room has been assigned (McHenry) and an email with an agenda will be coming shortly. If there are topics that anyone wants to cover please send them to David and/or Kevin.
- (3) The main item for the Chicago meeting so far is the election of a new Deputy Chair.
- (4) Angela and Pat both requested a TEAMS connection for the Chicago meeting as Federal travel has been severely restricted and they will not be able to attend in person.
- (5) The TPR is the week of 12/1 at ORNL.
- (6) The BEM is going virtual this year given the Federal travel restrictions.
- (7) Potential future topics include the forthcoming 420.1D and a new 3007. Angela stated that 3007 will be starting a new revision next year.
- (8) The NCSP Mission and Vision document is almost ready and Angela has asked the CSSG to review it.
- (9) Angela took an action to reach out to the DNFSB to determine who will replace Brandon Weathers since he left the Board staff.
- (10) The meeting was adjourned.
