

Dear SCALE Users,

We are pleased to announce that the 10<sup>th</sup> SCALE Users' Group Workshop that will be held as a **virtual workshop on June 8–12, 2026**. You can register on the workshop website at <https://scalemeetings.ornl.gov>. The workshop will be offered free of charge to participants. No SCALE license is required to attend the technical sessions.

You are invited to participate in the meeting and contribute with presentations and discussions on impactful and innovative applications of SCALE. In the SCALE Open Mic technical session, participants are invited to discuss about their work challenges and achievements, with presentation slides welcome, though with no formal presentation required.

The Best SCALE Model Contest provides an opportunity for all end users to present their most innovative models and compete for special recognition. Contributions for the SCALE Model Contest session require only a single page showing one or more images of a SCALE model. Participants will have 5–10 minutes during the session to provide background on the model, present additional information as desired, and answer questions. The best models will be showcased in the 2027 SCALE [calendar](#).

Please email [scalehelp@ornl.gov](mailto:scalehelp@ornl.gov) for any related questions or suggestions.

For details on the sessions organized in 2025 and other previous years, please view the Previous Workshops section of the [SCALE Meetings](#) website.

We are looking forward to your participation!

Best regards,  
SCALE Team
